**To the Gates of Vienna**
When a powerful Ottoman army reached the Habsburg capital in 1683, the fate of empires, and perhaps of all Europe lay in the balance.
by Maciej Jonasz

**Catalan Grand Company**
The late Medieval world saw the rise of professional mercenaries capable of wielding power out of proportion to their numbers. None was more successful, or more infamous, than this band of Spanish adventurers.
by Erik Hildinger

20

**Germantown**
The British surrender at Saratoga is credited with bringing the French into the American War for Independence, but the surprising performance of George Washington’s revamped Continental Army at Germantown two weeks earlier was equally important in demonstrating America’s military capability.
by Christopher Perello

34

**Tiger by the Tail**
Greyhound vs. Tiger at St. Vith
The M8 “Greyhound” Armored Car was not equipped to stand up to enemy tanks, but under the right conditions it could take out the most powerful tank on the battlefield.
by Gilberto Villahermosa

**Ambush on Blackhorse Convoy**
Communist forces in Vietnam sought ambush as a means to mitigate US combat power. The introduction of the armored cavalry vehicle made the tactic less useful, as both sides discovered east of Bien Hoa in November 1966.
by Kelly Bell
