FEATURES

6 Schlieffen’s War
Reexamining the War Plans of 1914

The opening of the Great War on the Western Front has been presented as a clash between the German and French pre-war plans. Both have been the subject of revisionist thinking, forcing a reappraisal of the driving force of the critical first six weeks of the war.

24 Battle of New Orleans
Brawl in the Bayou

Most of the action in the War of 1812 occurred along the border between the US and Canada, but a few hours’ fighting far to the south in New Orleans would determine the fate of half a continent.

By John Walker

38 The Battle of Tannenberg 15 July 1410

A clash between the armies of Poland, Lithuania, and the Teutonic Order near the small village of Tannenberg still resonates today, having earned a place in the mythology of the nations involved.

By Carl O. Schuster

50 England’s Pirate Wars 1568-1725

England’s constant wars with Spain from 1568 into the early 18th century led to a period often known as the golden age of piracy.
